Name: _____

JOB CHALLENGE

This is a grade booster activity worth up to 20 points. All extra credit points will be added to your final grade at the end of the term. All extra credit is due by the end of the current term.

DIRECTIONS:
Use the library, Internet, news papers, periodicals, and personal resources to find information about the various jobs listed below. Collect all the information needed for each job and submit this form to Mr. Whitman. (You can also use a computer to generate the information if you prefer) Just remember, you need to give credit where credit is due. Make a list of all the resources you used when doing this activity.

1.   Print this **WORKSHEET**. (or get one from Mr. Whitman)
2.   Fill in all the information for each job listed.
3.   Make list of all your resources. (web pages, magazines, news papers, people, etc.)
